Guide to Backpacking

Author: Hart, John

Paperback, 478 pages, Compl Rev & Upd Edition 3RD

Pub. Date: Jun

1998, Publisher: Univ of California Pr

ISBN: 0871563924, Dimensions (inches): 1.25x5.5x8.75

Description:

"Walking Softly in the Wilderness is the ground-breaking guide that first taught backpackers how to enjoy a

genuine wilderness experience through a common-sense approach to adventure that leaves nature undisturbed. Now completely revised and

updated, it remains the bible of camp and trail and will inspire a new generation of hikers to explore nature with skill, appreciation, and

care.

John Hart - conservationist, poet, and expert backpacker - provides novice and experienced hikers alike with comprehensive

information on route finding, making camp, choosing the appropriate gear, preparing food and fuel, and camping with children.

This new

edition covers the latest innovations in clothing and gear and includes new sections on map reading, navigating off-trail, first

Books > Walking Softly In The Wilderness

Walking Softly In The Wilderness

aid, and the politics of

wilderness use, making it the most comprehensive and authoritative backpacking guide available.
